

The image shows three sheets of graph paper, each with a vertical axis on the left side. The first sheet on the left has a vertical axis labeled from 1 to 100. The middle sheet has a vertical axis labeled from 1 to 100. The third sheet on the right has a vertical axis labeled from 1 to 150. Each sheet has a grid of small squares. The sheets are slightly overlapping and appear to be part of a larger set of materials.

APPENDIX.
